## Appreciation Letter

Mr.Sourav Sahana  
University Institute of Technology  
Burdwan, West Bengal

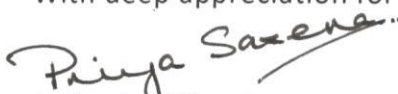

Dear Sourav,

In the recent past you have been instrumental in identifying vulnerabilities and application level issues in the sub-domains of amarujala.com. This is commendable and we would like to appreciate your efforts in making the sites secure.

We would like to take the time to thank you for the fantastic job you done for our company lately.

Keep it up and thank you once again!

With deep appreciation for your efforts,
